MASKED BANDITS

Express Safe Dynamited and \$60,000 in Currency and Other Valuables Stolen.

Corinth, Miss., March 12.—Mobile and Chio passenger train No. 4, northbound, was 'sheld up and the express safe dynamited and robbed seven niles

dynamited and robbed seven miles. South of Corinth early to-night by four men heavily armed and masked. After accomplishing the robbery the quartet took to the dense underbrush of the Tuscambia River bottoms. Bloodhounds have been telegraphed for, and a posse has been organized to take up the pursuit.

While definite information is not available, it is reported the safe contained \$60,000 in currency and other valuables.

Where the robbers boarded the train is not known. Engineer Wildar and Fireman Rufman first learned of their presense when two of the men crawied over the engine tender with revolvers drawn and commanded that the train be brought to a haif at a point designated. The command was obeyed. In the meantime the other members of the band and gained entrance to the express car, and after subduing Express Messenger Sneddy, set the explosive of the band had gained entrance to the express car, and after subduing Express Messenger Speddy, set the explosive which was touched off when the train came to a stop. The contents of the safe were quickly gathered and at a signal the four took to the woods without attempting to rifle the mail or molest the passengers. The robbery was completed within twenty minutes of the time the men first appeared in the engine cab.

No attempts will be made to penetrate the densely wooded river bottoms, where the men are believed to be in hiding, until the arrival of a detail of railroad officers and bloodhounds from Jackson, Tenn., who are coming on a special train.
